SHIVALIK SPORTS,DEHRADUN,INDIA (One of the top manufactures of active wear in North India)

Assistance Manager, Production

August 2013- Present

- Supervised the manufacturing operations of M/s Shivalik Sports (Brand Name COTTON KING), managing a team of 50 plus associates in various departments.
- Reduced production cycle time from 18 to 16 hours by improving material flow between departments and tighter buffer management. This helped us enormously as being a batch process unit we face a lot of late confirmations of orders, so reducing cycle time our agility and customer service.
- Reduced risk by changing the shift time from 9am-7pm to 7am-5pm.This helped us to rectify any failure in production line such as power hazards and other major machinery shutdown few hours prior, which reduced delays in dispatch of the product.

Inventory Supervisor

August 2012- June 2013

- Managed and control entire inventory from backup machine parts/consumables to all materials used for production.
